

Consent/Objection Form : Important Information

Please read all details carefully

The consent/objection form can be downloaded from our website OR:

1. Vote online on the link on our website.
2. Please note: Only one Additional Rate Payer (ARP) vote will be accepted (ie online or via the form); duplicate votes will be deleted. The first vote received will be the one recorded.
3. One form per juristic entity should be completed with the supporting documents (for example: Miss I.Marais completes a form for her properties and an additional form for Marais Enterprises plus a proxy form). Reminder: One vote per juristic entity (ARP).
4. All votes, whether via the form or online, are verified by the Steering Committee before being passed to the Dr. Beyers Naude Local Municipality for ratification.
5. Owners of multiple erven may list up to three properties/units on the form. Additional properties can be listed on duplicate forms (Should the form be completed online, additional properties can be added).
6. Joint owners must submit details and signatures for both owners.
7. Properties owned by a company, close corporations or trusts must submit the required supporting documentation to vote. Please follow the detailed instructions on the paper form/online. Templates for resolutions are available on our website.
8. Maps of the defined area are available on our website. A full list of all eligible erven is available in Annexure D of the Business Plan on our website. If you are still unsure if your property/properties are eligible, please contact us.
